

## Are there similar programs in the region?

1. Open your web browser to the LaunchBoard Community College Pipeline:  
<https://www.calpassplus.org/LaunchBoard/Community-College-Pipeline.aspx>
2. From the drop down menus, select:
  - **College or Region:** [select desired college, region, or statewide]
  - **Program or Sector:** [select all programs, all CTE programs, all non-CTE programs, sectors, TOP 4 code, or TOP6 code]
  - **Credit Status:** [select all, for-credit, or non-credit]
  - **Academic Year:** [select desired year]
3. Then click **View**

4. Click on the **“View Offerings”** button in the Offerings tile.
5. Colleges that offer programs in the same TOP code or sector will appear as bar charts paired with figures for the number of students who enrolled at each institution in the region.

- If you have selected a region in the drop down menu, you can **click** on the “**Detailed Data**” option in the top navigation to see more comprehensive information in a table format.
